It's Never Too Soon to Shoot for the Stars!

Destination ImagiNation, Inc.'s Rising Stars! Team Challenge provides an opportunity for young children ages 4-7 to act creatively in solving a Challenge over an extended period of time. The non-competitive program emphasizes critical and creative thinking and team-building skills. With this program, Destination ImagiNation recognizes those courageous, curious and joyous first steps of creative learning. Congratulations to the many children here at Global Finals who are taking those first steps! Shoot for the stars!
