

Congratulations La Verdad Team from Cloquet High School!

The Early Bird Catches the Basket of Goodies!

Congratulations to La Verdad from Cloquet, Minnesota, who were the first participants to register Monday at d2k.4 Global Finals. This Minnesota team "set up camp" in front of the registration doors at 5:00 a.m.! They said they arrived so early because at last year's Global Finals they missed being the first team by only ten minutes. Talk about determination!

Team members include: Paul Mueller, Jenna Kallestad, Brie Watters, Shawna Tilander, Angela Palmer, Rosie Alberio, Rylee Erickson, Liz Blinn. Because they were the "early birds," they received a way cool basket filled with awesome goodies! Welcome!

Let Your Creativity Flow...

The National Dairy Council wants your help to create new milk flavors during Invent a Taste of Milk !

This year, the National Dairy Council is sponsoring a Three-A-Day Invent A Taste Challenge where you can compete by inventing an original taste for milk. Be bold, be wild and make it taste great! We challenge you to come to the EXPO at the Knoxville Convention Center 2:00 p.m.- 4:00 p.m. Friday and 10:00 a.m.-noon Saturday, and let your creativity flow.
