

# Ways to Stay Safe

To do your best in Challenges, you must take care of yourself!

## Remember:

- Drink plenty of water.
- Take breaks during the day.
- Wear sunscreen.
- Use crosswalks.
- Obey traffic signals.
- Travel in groups, especially at night.
- Walk in well-lit areas.
- Always lock your door, whether you're in your room or just alking down the hall.

### Blue Phones:

• As you walk around campus, you will notice more than 50 blue phones. The blue phones can be used to:

- Request an escort van
- Report a crime
- Request emergency assistance

On the blue phone are two buttons, one is a large red button that is directly connected with the Knoxville E-911 dispatcher (to report emergencies), and the other is a small black button that can be used to request an escort van.

To connect with either service, press the button and talk when someone comes on. The E-911 service automatically knows the blue phone's location.

# Wow! What A Trip!

Props come in all shapes, sizes and colors, but Nohl Canyon School from Orange, California, had a privately chartered plane carry their props to Global Finals! This California team went to high-flying lengths to assure a safe delivery of their most prized possessions!
