

DICor Teaches Adults

DICor (Destination Imagination, Inc.'s Corporate Consulting Division) is an exciting new endeavor that teaches adults what kids are learning about creative problem solving.

Informational meetings for DICor will be held on Thursday, 2:30 p.m., and on Friday, 10:30 a.m., at the Knoxville Convention Center 301-D.

Recently DICor partnered with the University of Tennessee Business School's Center for Executive Education. Together they offer a four-week Executive Development Program (EDP) tailored to the needs of middle- and upper- level managers who are in training for executive responsibility in an increasingly global business world.

If you would like to learn more about this highly interactive learning program contact Roger Garriock at rgarriock@destinationimagination.org, or call (toll free) at 1-877-702-9275 (Pacific Standard Time).
